PROTESTED JANUARY 26, 1925, BY ROUND MOUNTAIN MINING CO.

PROTEST WITHDRAWN OCTOBER 31, 1925.

APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application,  
and do hereby grant the same, subject to the following limitations and  
conditions: This permit is issued subject to all prior rights on the  
source and particularly subject to such vested rights as may later be  
proven to be held by the Round Mountain Mining Co. It is understood that  
the one cubic foot of water per second herein granted is only a temporary  
allowance and that the final water right obtained under this permit will  
be dependent upon the amount of water actually placed to a beneficial use.  
A suitable measuring device must be installed and accurate measurements of  
the water placed to a beneficial use must be included in the proof of bene-  
ficial use when filed. The State reserves the right to regulate the use  
of the water herein granted at any and all times. It is distinctly under-  
stood that applicant agrees to the terms herein contained.

The amount of water to be appropriated shall be limited to the amount  
which can be applied to beneficial use, and not to exceed 1  
cubic foot per second.

Actual construction work shall begin on or before May 7, 1926

Proof of commencement of work shall be filed before June 7, 1926

Work must be prosecuted with reasonable diligence and be completed on or  
before May 7, 1929

Proof of completion of work shall be filed before June 7, 1929

Application of water to beneficial use shall be made on or before

October 7, 1930

Proof of the application of water to beneficial  
use must be filed with State Engineer on or before November 7, 1930

Proof of labor filed Dec. 4, 1926

WITNESS MY HAND AND SEAL this 7th day  
of November, 1925.

Cancelled FEB 17 1950 because of failure of  
applicant to comply with provisions of permit

State Engineer.
